Loan Summary

Loan Account Number XX-XXXX-XXXXXXXX-XXX

Westpac New Zealand Limited having its principal place of business at 16 Takutai Square, Auckland (**Westpac NZ**) is pleased to offer you a Choices Home Loan (**Loan**) as detailed in this Loan Summary. Your Loan will be provided subject to Westpac NZ's:

- Choices Home Loan Terms and Conditions version number CHCTCXXX;
- General Terms & Conditions brochure;
- Opening Accounts form;
- Transaction and Service Fees brochure;

and this Loan Summary (which together, and as they may be amended or replaced, form your **Agreement** with Westpac NZ in relation to your Loan).

Before you can draw down your Loan you need to:

- sign and return a copy of this Loan Summary;
- if required by Westpac NZ, complete and sign any new Security or Choices Home Loan Terms and Conditions documentation and satisfy Westpac NZ's Security or pre-requisite requirements. Westpac NZ will write to you or your lawyer as to what those requirements are;
- arrange for any other person required by Westpac NZ to give Security, to sign that Security and satisfy Westpac NZ's Security requirements; and
- pay the establishment charge and any other credit fees and charges that are payable in connection with your Loan.

This Loan Summary forms part of your Agreement. Please sign this copy and keep it in a safe place - it is an important document and you may need to refer to it at a later date.

Terms which are defined in Westpac NZ's Choices Home Loan Terms and Conditions have the same meanings in this Loan Summary unless the context otherwise requires or unless otherwise defined in this Loan Summary.

Your Limit may be reduced or increased from time to time in accordance with your Agreement.

Term of your Loan

XX Yrs and X Mths

Annual Floating Interest Rate **X.XX % p.a**

At any time your Loan is not on the Annual Fixed Interest Rate or Annual Capped Interest Rate, the Annual Floating Interest Rate will apply.

The formula for calculating the Annual Floating Interest Rate is: (the Base Rate x the Modifier (if any)) plus the Margin (if any). The Annual Floating Interest Rate may change from time to time.

At the date of this Loan Summary the Annual Floating Interest Rate is based on Westpac NZ's Housing Base Rate of X.XX% and the margin of X% (Margin).

Westpac NZ may change the Base Rate, replace it with a new Base Rate, or change the Modifier (if any) or the Margin from time to time.

Westpac NZ's published base rates are available at westpac.co.nz; and are advertised from time to time in major newspapers when changes occur. In addition, base rates are available by contacting your Westpac NZ branch or Relationship Manager.

Annual Fixed Interest Rate **X.XX% p.a**
Fixed Rate Expiry Date **DD Mnth YYYY**

After the Fixed Rate Expiry Date your Loan will revert to the Annual Floating Interest Rate.

Prepayment Costs

If you change to a different interest rate type or you prepay any part of your Loan during a Fixed Rate Period (each a *Prepayment*), then:

- you may not redraw the amount prepaid until after the Fixed Rate Period and then only subject to your Agreement; and
- you may need to pay an amount to Westpac NZ (a *prepayment cost*) and any other charges as specified in your Agreement. This applies whether the Prepayment is voluntary or required following a default as detailed in the Choices Home Loans Terms and Conditions.

Westpac NZ will determine the prepayment cost on the basis of a formula, which is a pre-estimate of the cost to Westpac NZ. It reflects any positive present value difference as a result of the Prepayment, calculated using the difference in the hedge rates (as determined by Westpac NZ) applicable when your Loan was funded compared to those prevailing at the time of the Prepayment, for the remaining term of the Fixed Rate Period. The prepayment cost is not calculated in accordance with the formula prescribed by the Credit Contracts and Consumer Finance Regulations 2004.

You will pay this prepayment cost and Westpac NZ's normal administrative charges as detailed in the Transaction and Service Fees brochure to Westpac NZ as soon as Westpac NZ requests you to do so.

Westpac NZ's determination of the prepayment cost will be conclusive and binding on you.

You may ask Westpac NZ at any time to estimate the amount of the prepayment cost in relation to a Prepayment. That estimate will be indicative only and will not be binding on Westpac NZ. Westpac NZ will also provide details of the prepayment cost formula to you on request or you may also get a copy of the formula and examples of how it works at westpac.co.nz.

Default margin **X.XX %**

At any time a payment under your Loan is in arrears for 14 days or more this additional rate will apply to the payment that is in default for each day from that 14th day until that payment is made.

Limit Reductions / Repayments

Please refer to your own lending agreement documents.

Interest Payments

Subject to your Agreement, interest on the amount of the debit balance of your Loan Account will accrue daily based on a 365 day year calculation and will be debited monthly to your Loan Account or a nominated account starting one month after the Drawdown Date, or on a specified date agreed by Westpac NZ.

Security

Your Loan is secured by all existing and future Security, granted to Westpac NZ.

Your Securities are detailed in the Schedule of Securities.

You should be aware that if you do not keep up your loan repayments, or you give a security over the property to another person without Westpac NZ's consent, Westpac NZ may enter into possession of, and/or sell, the secured property. If there is a shortfall in the proceeds of sale, you will remain personally liable for any shortfall.

Unforeseen Hardship

If you are in financial difficulty it is important that you don't ignore the problem. Contact us as soon as possible if you are having problems meeting your repayments or think that you may experience difficulty doing so in the near future.

If you are not able, because of illness, injury, loss of employment, the end of a relationship or other reasonable cause, to meet your obligations under this Agreement, but you expect that a change to the Agreement would enable you to meet your obligations, you may apply in writing to have the Agreement changed in one of the following ways:

- an extension of the loan term so that the amount of each repayment is reduced; or
- postpone repayments for a specified period (a "repayment holiday"); or
- extend both the term of the contract and postpone repayments for a specified time.

Westpac NZ may, but is not obliged to, agree to a change to the Agreement. We will write and let you know the outcome of your application. If we do not agree to the requested change we will explain our reasons in writing.

Westpac NZ may charge a fee for any costs it incurs in documenting the changes to the Agreement. If a change to repayments is agreed, interest will still be added to the balance of your loan while repayments are postponed.

There are limits on when and how often you can make a hardship application. You can find out more information and obtain a Financial Hardship Application form in person at a branch, by telephone or on Westpac NZ's website. Further details (including a branch locator tool) can be found at westpac.co.nz.
